

April 2018

****From our Chairperson, Kathy Angel Lee****

Hello,

As you read this, I'll be on the last part of my Mississippi cruise heading to Memphis where we'll leave the paddlewheel boat. My hope is that when I get home, there will be sunshine and most of snow will be melted!

Treasurer Lettie Lemay and I met with the bank and merged our two scholarship accounts. At the April meeting, there will be a discussion about revising the scholarship guidelines.

We've not had a lot of people participating in the Monday painting sessions at the Saco Parks and Rec building. With this newsletter, there's a flyer attached (needs to be cut - there's two flyers on one sheet) about the sessions. If you could share the flyer with friends or at local libraries or other places, that would be great.

Caren Marie Michel will be doing a demonstration on acrylic landscape. Do enjoy this demonstration on April 9, Noon-2PM.

Kathy
