## Message from our Co-Chairs

Hello everyone,

I hope that 2014 has started off well for you. I have mixed reviews on it right now, but I know it will get better.

We have some fun things coming up.....artists' indoor yard sale, a critique by our own Betty Shore, many interesting programs and an exhibit opportunity. Read on in the newsletter to learn about each of these events.

**We are still in need of a secretary if anyone is willing to step up and handle that job.**

## Art Yard Sale - February 10

One person's trash is another person's treasure!

We all have accumulated lots of art supplies - some of which we use and some we don't. Here's your opportunity to sell your

unwanted items and accumulate new ones.

At the February 10 evening meeting, bring in what you'd like to sell. Be ready with prices and/or bargaining for trades. We

will do this for 1/2 hour from 7-7:30 PM. Set up will start at 6:30 PM.

Afterwards, Elizabeth Shore will lead a critique.

Come join in the FUN!

## Annual Fourth of July Button Design Contest

The buttons are available at the July 4th parade (and afterward in the OPA office) for a donation to the Ocean Park Association.

The design should have some sort of July 4th theme and also have something to do with Ocean Park. The design needs to include "Ocean

Park Association" and "2014".

The buttons are 3" in diameter, so the artwork should be within a circle. The successful artwork in the past was 6-7" in diameter and was scanned to produce an electronic file used to create the buttons.

The deadline for submission of designs to SBA (Kathy Angel Lee) is **Monday, March 10** at our regular monthly meeting.

The Ocean Park Association will keep the winning artwork and will return the other submissions.

## Dyer Library Exhibit

Saco Bay Artists will exhibit their work during April 2014 at the Dyer Library in Saco.

## Editor's Ramblings

Snow...Cold...Ice...we are truly in the depths of the winter season...yet, everywhere I look I can find bits of color and brightness...signs that the days are getting longer...and before we know it...the days...and we...will be getting warmer too!

I guess we should celebrate that we have had a "real Maine winter" this year...personally I could have gotten by with ones more similar to the recent years past...but we just live with what we are dealt...keep in mind this price we pay for the beauty that we live in...tourists and visitors will never know why we love this place we live...in the winter!

As we March toward SPRING...enjoy art, love and place...as I will as well...
