From Our Chairperson

Hello everyone,

I really can't believe it's October already. Time just goes by so quickly and here we are looking ahead to fall exhibits and holiday shows.

Betty has, once again, arranged for an interesting program for our October 10 meeting from 6:30-8:30. It will be a drawing demonstration with Robert Dohar.

See other announcements for exhibit opportunities for this fall. I hope many of you will be able to participate in these events.

Kathy

Editors Ramblings

Well, Happy Fall to All! As we all well know, these last few warm days are soon to be replaced with colder temps and thoughts of the challenges of winter...thinking today of all of the folks who are facing the challenge of Hurricane Matthew and praying for a good outcome for all...we are so fortunate here in our little corner of the world that we can usually plow and shovel our way out of a storm...Wendy B.

What is Art?

We have art in order not to die of the truth.

FRIEDRICH NIETZSCHE, *The Will to Power*

Life beats down and crushes the soul and art reminds
you that you have one.

STELLA ADLER, attributed, *The Sound of Applause*

If art, all art, is concerned with truth, then a society
in denial will not find much use for it.

JEANETTE WINTERSON, *Art Objects*

When nations grow old, the Arts grow cold,
And Commerce settles on every tree.

WILLIAM BLAKE, *On Art and Artists*
