

MAY 2021 SBA NEWSLETTER

HELLO Saco Bay Artists!

It has been a while since a newsletter has gone out! Hope everyone is enjoying the summer-like weather.

Great News! **June 14th** will be our first meeting of 2021 at Saco Parks and Rec, and will continue for the rest of the year. We have a new meeting time from **10:30 to 12:30**.

The one requirement Parks and Rec has is that masks must be worn in all areas of the building except for our meeting room. In the room we do not have to wear masks, BUT I am requesting that people who have not been vaccinated please wear their masks.

On a sad note, Deb Eaton and Pat Scammon are resigning from their SBA duties due to personal reasons. We want to thank them both for all the work they have done for SBA. Kathy Lee has offered to take over the membership duties, and Sylvia Orchard has agreed to assist with the Betty Horton Shore Advanced Series in Art for special workshops and educational activities.

Sylvia has announced that the Portrait Sketch Group will start meeting again at the Libby Library. The first meeting will be June 10th 11am to 2pm with a live model. At present, it will take place outside. All are welcome!!

With our summer shows and our meetings back on schedule, 2021 is looking to be a good year. See you all at the June 14th meeting!

Best to all, Ellen

Special Opportunity for Saco Bay Artists August Art Show This opportunity is only for those Saco Bay Artists who are not exhibiting at our summer shows. There will be a tent available August 7 to show work from SBA artists. Number of pieces will be determined by how many people are interested. Tent will be

located next to Al and Ellen Pelletier's tent. Al and Ellen will set up the tent and have racks available for hanging art. If your art needs to sit on a table, we can also have tables. If the work is for sale, prices must be clearly marked. Sales will be cash only and money will be collected in an individual cash box supplied by each artist. We would appreciate it if the artists who want to show work would sit for an hour or two at the tent. Each artist will pay SBA \$10 to show their work in the tent. If you are interested in this opportunity, contact Kathy Angel Lee at kathyangellee@gmail.com or 207-937-2125 **no later** than June 15.
