NOTES FROM ELLEN:

Hi Everyone -

We had a good meeting in October, and a fun and informative demo by Tim Parks was enjoyed by all. It was a great follow up to Iona's demo on sketching, by also using sight-sized drawing. And we all got to try it!

At the November 8th meeting we will be discussing when to end the SBA painting sessions for the winter, the Art Swap and Sale for the December meeting, and officers for the new year.

We will have a pottery demo by SBA member Richard Winslow. Richard is an award winning artist in oils and pastels, and is also a successful, professional potter. He will be bringing his pottery wheel - we look forward to seeing his creations!
Hope to see many of you there!

Best to all, Ellen

The demo by Tim Parks led us to rediscover sight/size drawing the way old masters did it. Very Insightful.
